

Tennessee Valley Authority - Investment Recovery

Notice of Sale

The following is offered for sale by TVA and is located at the Cumberland Fossil Plant, 815 Cumberland City Road, Cumberland City, TN 37050.

Pre-Bid Inspection - Schedule

- Pre-bid meeting and inspections - **July 28, 2010 at 10:00 p.m. CST**
- On the day of the pre-bid meeting and inspection, the Bidders must be on time. Failure to be on time may result in the Bidder not obtaining all information on the lot(s). If the inspection has already started and the group has left the assembly point, the Bidder will not be allowed to attend.

Site Access Requirements

- Interested bidders must notify **Richard Collins at 502-409-3885** prior to the pre-bid meeting due to TVA site clearance requirements.
- Assembly Area - Bidders are to meet at the plant guard house at the west gate.
- All Bidders will be required to sign a safety waiver prior to entering the site.

Bid Schedule Requirements

- Bids are due on **August 3, 2010, by 3:00 p.m. Central Time.**
- All bids should be submitted to the Investment Recovery Bid Center by fax at **865-632-9473**. It is the responsibility of the bidder to confirm the receipt of his/her bid.
- Bidders are required to comply with all Special Notes of this Notice of Sale and with all contract terms and conditions.

Removal Schedule

- Removal cannot start until a safe removal plan has been reviewed by the site safety representative.
- Removal will be allowed August 9 - August 12. All work must be completed by August 12, 2010.

Items Listed

This is a large lot and some pictures may not fully display all items included. Additional items may be added prior to the pre-bid. It is in the Bidders best interest to inspect this lot.

Special Notes:

- Pre-award briefing may be required prior to award of contract.
- TVA does not guarantee material description, quantity, or type, and therefore all bidders are encouraged to inspect the lots and to read and understand the terms and conditions of the sale prior to removal. Special site specific requirements may apply.
- Copies of contract terms and conditions are available by contacting the Valley Wide Investment Recovery Bid Center via email address valleywide@tva.gov.
- TVA reserves the right to reject all bids.
- Item(s) are sold as is, where is, and all sales are final with no refunds.
- Bidders and their employees are required to wear Personal Protective Equipment (PPE) during lot inspections. During removal the Buyer and employees are required to wear, at a minimum, hard hats, gloves, safety glasses, steel toe boots, and any other PPE required as specified in the safe removal plan. Buyer and/or employees will not be allowed on site without these PPE items.
- All Buyers will be required to submit a "Safe Removal Plan" to the TCM five days prior to scheduling the removal of the lots. Safety Removal Plans must include a list of all potential hazards and how buyer expects to address the potential hazards during the mobilization, removal of the material, and demobilization.
- TVA requires a two day notice to Richard Collins prior to removal. This must be scheduled after the receipt of payment.
- Buyer will be required to hold a daily safety briefing with his employees during the removal.
- Anyone inspecting material or working on a TVA site must sign a safety waiver.
- In the event special rigging and crane operation are required TVA certification is required. Rigging and Crane operation on a TVA site requires the Buyer to be certified by TVA prior to removal. Certification may be obtained only after attending a class with TVA. A copy of the certification is required prior to removal.
- A Buyer's forklift operator must have a valid certification and the forklift must be inspected prior to operation on a TVA site. A copy of the certification is required prior to removal. TVA does not provide forklifts.
- Buyer must abide by state, local, and federal requirements such as OSHA Regulations for employees.
- In the event of any environmental incidents or issues, the Buyer should immediately contact the TCM or his representative and the site environmental contact as indicated on the list provided during pre-bid meeting.
- All work performed by the Buyer is subject to continuous inspection by TVA.
- TVA will not furnish dumpsters, lunch areas, utilities, vending areas and the like.
- Buyer is required to clean-up the area prior to removal of the last load. This includes removal of all trash, pallets, dunnage, etc. unless otherwise noted in the lot description. All material and waste must be removed from the TVA site.
- Removal will be allowed Monday 9:00 am - 3:30 pm and Tuesday - Thursday from 7:00 a.m. until 3:30 p.m. CST unless otherwise a federal holiday.
